

A black and white photograph of a building facade. The building has a dark, possibly tiled roof and a light-colored wall. A sign is mounted on the wall, featuring the text 'SOCIETÀ DI RIFORMA' in a stylized font, with 'PONTI MOCA (e s.)' written below it. The building appears to be part of a larger complex, with other structures visible in the background. The image is oriented horizontally on the page.

A black and white photograph of a street scene in San Francisco. The image is oriented horizontally but appears to be a vertical shot rotated 90 degrees clockwise. In the foreground, a large, dark, closed garage door is visible on the left side of the frame. Above it, a small window is set into the wall. The building continues along the street, showing a series of arched windows and doorways. A car is parked on the street in the middle ground, and another car is visible further down the road. The street is lined with trees and other buildings, creating a typical urban scene. The overall tone is historical and documentary.
